Proceedings of the meeting of the Municipal Council dated 7-12-1946.

28. Opinion of the City Improvement Committee dated 25-9-1946 that the land left out by the road keeping the road as 30 feet wide be given to the Ananthaswami Mutt in Gandhinagar, free on the usual conditions.

Mr T L Gangoji Rao observed that keeping the Road width at 30 feet would be costly so far as maintenance was considered and wanted the same to be reduced to 25 feet and the remaining land may be given to the Ashrama

Mr K R Papiahraju seconded the above and Messrs D Venkataramanappa, Singam Rangaswamappa and G Nanjappa supported it

Mr M K Narayana Iyengar opposed the above and supporting the City Improvement Committee resolution said that after inspection of the spot, the City Improvement Committee had come to the conclusion to keep 30 feet road and it may be approved

Mr. Ramalal Thiwari supported Mr M K Narayana Iyengar and said that it was not proper to reduce the road width for the sake of one institution

Mr H C Suryanarayana Rao further supported it and said that while giving away such pieces of land, they should think of the future expansion of the City. The Road (Subedarchatram Road) would become one of the most important ones and a time may come when this blind road will have to be connected with the Road Hence the City Improvement Committee resolution may be adhered to.

Then the amendment of Mr T L Gangoji Rao was put to vote and passed and with this amendment the original proposition was passed by the House

Sd P Sivashankar,
Honorary President

Municipal Commissioner

Copy of letter dated 1st July 1946 from N.Keshvaiyengar, for Ananthaswami Mutt, Bangalore City to the President, City Municipality, Bangalore City.

May I bring to your kind notice a small matter which has been somehow lost sight of in respect of a grant of a small strip of land adjacent to Sree Ananthaswami Mutt measuring about 15 by 68 to Mutt itself free of cost subject of course to the usual conditions so far back as 18-11-1940 itself Six years have elapsed and this grant is not given effect to and possession is not yet delivered. I happened to move for the additional grant of an entire site only on 3-6-1942 and the same was negatived. Anyway the previous grant of the bit of land also is somehow unfortunately lost sight of.

May I make bold to state that there are no two opinions on the fact that Sree Ananthaswami Mutt is doing yeoman service to the local public The Mutt is not a little handicapped for the grant not being given effect to.

Pray please verify and inspect, If need be, and see the original grant is given effect to and possession delivered if we cannot grant them a larger area.
